Hello Leader!!!

As a leader you are often the one giving. You give your time, resources and the shirt off your back if asked for it!

Well, today, we are giving TO YOU! As you settle in for Lead Bold's Online Conference, whether on the sofa, that deck chair or your bed, we want you to know we are with you "virtually" and in spirit. We have been praying this would be a time to Refuel, Revive and Refocus.

We've packaged up a bit of Leader Loot as a way to say we see you and are on the journey with you! So celebrate the day by blowing up the balloons, calm your mind by doodling, decorate your office with our stickers, use the phone stand when you're multitasking on those long conversations, and hold on to that little bag and watch for what you will receive from God today.

We invite you to post your Loot and your learnings from the day so we can see how our community is gathering and gleaning from the Conference!

Thanks for joining us today! We look forward to connecting with you in the many opportunities online but even more so, in person one day soon!
